Dear Charlie,

I can't tell you how much I appreciate the superlative support and hospitality you extended to me and my staff during our stay at Whidbey.

Please extend my special thanks also to your aide, Lieutenant Hunsucker; to Chief Yeoman Pace, who did a fast and flawless job of transcribing my notes; and especially to Lieutenant Commander Lynn Wagner, who somehow was able to anticipate everyone's needs and make the right decisions despite his own grief. I know Mrs. Williams deeply appreciated his untiring help, and I did too.

I wish you all success in your command, and in this New Year. My thanks again.

Yours,
